

A SEASON 8 EXPANSION UPDATE

Dear Season 8 NDP Families,

Thank you for your patience this summer as we tackle our biggest project yet, **NDP is EXPANDING!** We are growing into a larger space with exciting upgrades designed to create an even better experience for our dancers and families.

COMING TO NDP:

- **4 Dance Studios** – More space for classes, opportunities, and growth!
- **Triple-Sized Lobby** – More room and comfort for our families.
- **Dancer Locker Room** – A dedicated space for dancers and their belongings.
- **In-Studio Dance Store** – Dress code items, shoes, tights, accessories, and more available right at NDP!

As with any major construction project, we have experienced unexpected delays due to circumstances beyond our control. But have no fear, we have a plan!

Season 8 classes WILL begin Tuesday, September 8th, as scheduled, and we WILL operate our full four-studio schedule. Until our new studios are complete, we will temporarily divide our largest studio, Studio C, into two dance spaces.

Construction is scheduled to begin this fall and will happen in phases:

Phase 1: New Dance Studios | **Phase 2:** Dancer Locker Room

Phase 3: NDP Dance Store | **Phase 4:** Expanded Lobby

Construction will take place during the day while classes are not in session, with work areas secured and cleaned before dancers and families arrive each evening. Our goal is for construction to have as little impact on Season 8 as possible.

During this transition, we ask for a little extra patience and flexibility, particularly with our temporary lobby and store setup. We will be operating a four-room studio schedule within our current space for a short time, so the beginning of the season may feel a little crazy, but it will be SO worth it!

Please see our separate Season 8 Dress Code & Store Letter for information regarding dress code purchases while our permanent store is being completed.

Once the expansion is finished, we will celebrate BIG with an NDP Grand Re-Opening Party!

Thank you for growing with us, believing in NDP, and being part of this exciting next chapter. We cannot wait to welcome you back for Season 8: The Infinity Season!
