NYE DANCE PRODUCTIONS DANCER & FAMILY PACKET

Season 8

September 2026 – June 2027

WELCOME

Dear NDP Families,

Welcome to the start of an exciting new dance season! We are so thrilled to have each of you as part of our dance family and cannot wait to see all that your dancers accomplish this year.

Season 8 is a **big** one for us. With our studio expansion, we are growing in more ways than one, creating more space, more opportunities, and an even stronger home for our dancers. We are incredibly excited for what's ahead!

At Nye Dance Productions, we are proud to offer a positive, supportive environment where dancers can grow in confidence, technique, and passion. Our dedicated faculty is committed to guiding each dancer on their unique journey, whether they dance for fun or have big goals for the future.

This season will be filled with training, performances, and unforgettable moments, including our recital "*Nye At The Museum*," the weekend of June 4th & 5th at the Valentine Theatre.

Thank you for trusting us with your dancers. We are so grateful to have you as part of the NDP family and can't wait to make Season 8 our best yet!

Tyler Nye*

A SEASON 8 EXPANSION UPDATE

Dear Season 8 NDP Families,

Thank you for your patience this summer as we tackle our biggest project yet, **NDP is EXPANDING!** We are growing into a larger space with exciting upgrades designed to create an even better experience for our dancers and families.

COMING TO NDP:

- **4 Dance Studios** – More space for classes, opportunities, and growth!
- **Triple-Sized Lobby** – More room and comfort for our families.
- **Dancer Locker Room** – A dedicated space for dancers and their belongings.
- **In-Studio Dance Store** – Dress code items, shoes, tights, accessories, and more available right at NDP!

As with any major construction project, we have experienced unexpected delays due to circumstances beyond our control. But have no fear, we have a plan!

Season 8 classes WILL begin Tuesday, September 8th, as scheduled, and we WILL operate our full four-studio schedule. Until our new studios are complete, we will temporarily divide our largest studio, Studio C, into two dance spaces.

Construction is scheduled to begin this fall and will happen in phases:

Phase 1: New Dance Studios | **Phase 2:** Dancer Locker Room

Phase 3: NDP Dance Store | **Phase 4:** Expanded Lobby

Construction will take place during the day while classes are not in session, with work areas secured and cleaned before dancers and families arrive each evening. Our goal is for construction to have as little impact on Season 8 as possible.

During this transition, we ask for a little extra patience and flexibility, particularly with our temporary lobby and store setup. We will be operating a four-room studio schedule within our current space for a short time, so the beginning of the season may feel a little crazy, but it will be SO worth it!

Please see our separate Season 8 Dress Code & Store Letter for information regarding dress code purchases while our permanent store is being completed.

Once the expansion is finished, we will celebrate BIG with an NDP Grand Re-Opening Party!

Thank you for growing with us, believing in NDP, and being part of this exciting next chapter. We cannot wait to welcome you back for Season 8: The Infinity Season!

SEASON 8 NDP STORE UPDATE

New Season. New Store. New Way to Shop!

Dear NDP Families,

We are excited to officially launch the NDP Store for Season 8! While our brand-new in-studio store is still under construction, we didn't want construction delays to stop us from making dress code shopping easier and more convenient for our families.

For now, our physical NDP Store will have very limited stock and will primarily serve as a fitting space. Families are welcome to stop in, get properly fitted, and then order through our online Nimbley NDP Store to have dress code items shipped directly to your home.

DANCE SHOES: All required dress code shoes for Itty Bitty, Petite, and Recreational classes must be purchased through NDP. We recommend coming into the studio for a fitting before ordering so we can help ensure the correct size and style.

We know not every dancer grows out of their shoes at the same time! If shoes from last season still fit and are in good condition, please continue wearing them until your dancer grows out of them. We simply ask that all dancers have the correct NDP dress code shoes by our end-of-the-year June Recital.

PETITE HIP HOP SHOES: Petite Hip Hop shoes are not available through the Nimbley website. We will take care of ordering these for you directly through the NDP Store.

LEOTARDS: Dress code leotards may be purchased through the NDP Nimbley Store or from another retailer. If purchasing elsewhere, please make sure the leotard matches the required dress code color for your dancer's class.

TIGHTS – SEASON 8 SALE: We will have tights in stock and available for purchase at the studio! **Tights are just \$8 per pair from now until they're gone.** Stock up while supplies last!

Once construction is complete, our new in-studio NDP Store will give families a dedicated space for dress code needs right inside the studio. Until then, we are making the most of our current space and using our online store to keep everything moving. We truly appreciate your patience and flexibility as we navigate the final stages of our expansion. **Our goal is to make dress code shopping as simple and convenient as possible while ensuring every dancer has exactly what they need for class.**

Thank you for growing with us and being part of this exciting new chapter at NDP.
We cannot wait for you to see the completed store!
