

Spotlight Crew Performance Company Overview

Mission

Dancers who INSPIRE their audience. Dancers who EDUCATE their team. Dancers who DANCE with their heart.

About

Nye Dance Productions' Spotlight Crew Performance Company is a community performance team that promotes artistic appreciation by dancing at local events. Dancers a part of this performance company are NDP dancers ages 4-7 (Rising Stars) and 8 & Up who have a love for dance, would like the opportunity for additional performances and have dedication to their NDP classes. Along with regular dance class, Spotlight Crew Performance Company will meet for Saturday morning rehearsals weekly not only to learn the routines they perform but also to work on technique and performance quality. The dancers will help NDP give back to the community and provide wonderful role models for other studio dancers.

Moral Conduct

- ★ Dancers and families represent Nye Dance Productions both in and out of their studio.

Attendance

- ★ Guidelines for attendance:
 - All dancers are expected to attend ALL of their regularly scheduled classes in addition to all rehearsals and performances.
 - All appointments, work, other sports/activities, forgetting, deciding to do something else, not feeling like going etc. are not considered an acceptable excuse for missing class or rehearsals.
 - Dancers who are absent from class may find they are not included in the choreography that has been missed.
 - If students are injured or unable to participate fully in class, we still expect them to be dressed in dress code and in the studio. Many times, students can participate in some elements of the class – whether it is stretch, strength, technique or choreography. Injured dancers are expected to be put on a studio injury plan. A meeting will be scheduled with the director, parent and dancer.
 - If students are very ill (contagious diseases or flu symptoms) we ask that they stay home and notify the front desk and Band App Directors.
 - All absences should be e-mailed or phoned into the office by a parent/guardian.
 - Absences, whether excused or not, are disruptive to the development of the dancers as a team. We will not tolerate continued absences. If you are planning to be away for a large portion of the dance year, please contact us to determine if you should register for Spotlight Crew Performance Company this season.
 - We reserve the right to dismiss any team member with poor attendance.
